locations, [apple.com](#), the Apple Store app, or by calling 1-800-MY-APPLE, and is subject to credit approval and credit limit. See [here](#) for more information about eligible products. Existing customers: See your Customer Agreement for your variable APR. As of October 1, 2025, the variable APR on new Apple Card accounts ranges from 17.99% to 28.24%. You must elect to use ACMI at checkout. If you buy an ACMI-eligible product with a one-time payment on Apple Card at checkout, that purchase is subject to your Apple Card's variable APR, not the ACMI 0% APR. Taxes and shipping on items purchased using ACMI are subject to your Apple Card's variable APR, not the ACMI 0% APR. In order to buy an iPhone with ACMI, you must select one of the following carriers (prepaid carrier plans are not supported): AT&T, Boost Mobile, T-Mobile, or Verizon. An iPhone purchased with ACMI is always unlocked, so you can switch carriers at any time, subject to your carrier's terms. ACMI is not available for purchases made at the following special storefronts or when using these discounts in-store at Apple: Apple Employee Purchase Plan; participating corporate Employee Purchase Programs; Apple at Work for small businesses; Government and Veterans and Military Purchase Programs; or on refurbished devices. The last month's payment for each product will be the product's purchase price, less all other payments at the monthly payment amount. ACMI is subject to change at any time for any reason, including but not limited to installment term lengths and eligible products. See [the Apple Card Customer Agreement](#) for more information about ACMI.

To access and use all Apple Card features and products available only to Apple Card users, you must add Apple Card to Wallet on an iPhone or iPad that supports and has the latest version of iOS or iPadOS.
